

## WHAT PEOPLE SAY ABOUT US!

---

### ***ADVERTISERS:***

**Hard Rock Café:** Our ad in *Oahu Visitor Magazine* has been tremendous! Currently I am running a coupon and I have seen an increase in monthly revenue due to the newly established coupon redemption program. This has run exclusively in your magazine since January 2004.

**Thomas Magee Center for Natural Healing:** I have received a huge response to our ad in *Oahu Visitor*. We have received several referrals for massage from Visitors and locals. Our full color advertisement has seen a tremendous return on investment. I would highly recommend to anyone who would like to see an increase in business that they partner up with the *Oahu Visitor Magazine*.

**Arts Pacifica:** *Big Island Visitor* has worked great for us. Frequently clients mention they saw our ad in the magazine. Our first cover artist sold 9 pieces. The Big Island Visitor team has been a delight to work with.

**Kula Botanical Garden:** *Maui Visitor Magazine* came out ahead of all the rest four times greater than the next publication.

**Valley Isle Excursions:** We have been in over 20 magazines and have finally narrowed it down to just two. I would highly recommend *Maui Visitor Magazine* to anyone looking for a solid and reliable advertising source.

**Hawaii Nature Center:** No one even comes close to bringing the response *Maui Visitor* does.

**David Paul's Lahaina Grill:** Since the launch of our advertising with *Maui Visitor Magazine*, we have consistently seen 2-6 new customers on a daily basis. Congratulations to your team on the great work you do.

**Lahaina Galleries:** (*Big Island Visitor*) People staying at the Orchid at Mauna Lani found the publication in their room, saw our ad, came to the Gallery and bought a painting.

**Sunshine Helicopters:** We got such an up tick in phone calls from our ad in *Maui Visitor*, we'd like to add another page!
